

# PRISMA AiR.

*PRISMA ESTÚDIO*  
*RUA DA PALMA 268*

Prisma Estúdio is a non-profit volunteer-run cultural association in the most diverse quarter of central Lisbon (Martim Moniz). Dedicated to the research, creation, and dissemination of the arts; our mission is to support emerging artists from diverse creative backgrounds, helping them to develop their practice and share their work. Drawing on the principles of research, creation, production, distribution and promotion of artistic and cultural events, to the benefit of our associates and Portugal.

Since 2019, our studio has been supporting artists from a diverse range of creative practices. We gained association status in February 2020 and have since collaborated with more than 60 artists – holding exhibitions, salons, workshops, poetry slams and arts & craft fairs. We have supported unrepresented artists to find revenue streams and throughout the pandemic provided a safe space for them to create, with our residency programme.

The collective creates and implements art projects, bringing together a vast list of contemporary international artists and partners interested in inviting art to traditional and alternative spaces. Our team seeks to connect artists with projects that best suit their talents, as well as places that can benefit from their unique gifts.

# ABOUT PRISMA

You will be immersed in Lisbon's vibrant underground artistic community. Engaging in our eclectic program of events, schedule of exhibitions, and collaborating with community members.

We welcome artists and organizers from diverse practices and backgrounds, researchers, curators, and critics for 1-3 months. Either as a resident or for those already in Lisbon, a studio residency.

We offer residents the possibility to explore techniques, concepts, ideas, and collaborations, to develop a final project. Throughout you will receive curatorial guidance and support from our welcoming community.

At the end of the program, each resident will be offered the opportunity to exhibit their works in a final exhibition, publication, workshop, open studio, or performance in the gallery space in Prisma.

The cost for each month of the residency is 750€. Studio residencies cost 350€. If successful you must pay a deposit equivalent to one month's fee, payable within 7 days to secure your space.

Artists will receive an official invitation letter to apply for international mobility funds.
